Welcome to Smith Mountain Lake State Park. Our boat ramp and swimming beach offer access to one of the commonwealth's most beautiful bodies of water. Our boat ramp, fishing pier, hiking trails and restroom facilities are open year-round for your use and comfort. We hope this map will help you explore the park's many outdoor recreation opportunities. To make your visit safer and more pleasant, we ask that you observe the following regulations.

-  Swimming is permitted in the designated beach area only during operating hours. Shallow water hazards, steep drop-offs and boating traffic make other areas of our park unsafe for swimming or wading.
-  Public use or display of alcoholic beverages is prohibited.
-  Pets are permitted in all state parks but must be kept in an enclosed area or on a leash no longer than six feet.
-  Open fires are prohibited. Please restrict all fires to grills or fire rings.

The park is open from 8 a.m. to dusk daily. Interior gates to the hiking trails and picnic area close at dusk.
